plot of power measurement error on sc20 circuits and mains

plot generated 2011-09-23 14:03:18.788018
function = sc20powerConsumption
data points at predicted power of: [ 0.79   1.1    1.57   3.14   6.28  15.72  31.25]
